

### NATURAL modeling dough

Strawberry, lemon and lime fresh, natural scents in a soft, crumble-free, all natural dough for little hands. Colored with turmeric, carmine and spinach. Three recyclable, 4 oz containers. Lasts for more than 12 months when stored in our airtight container.

\$8.99

### NATURAL crayon rocks

Clementine soy crayon 'rocks' are an innovative coloring tool built for young hands. Available in 8, creamy, smooth colors, crayon rocks are perfect for blending, shading or just playing around.

\$5.49

### NATURAL glue

Clementine natural glue is a clear drying, strong, and washable art glue that works on wood, paper, fabric and many other surfaces. Once dry, it is completely reversible with water and washes off any surface with ease.

\$5.49

### NATURAL crayons

Clementine natural soy crayons are a smooth and creamy alternative to traditional crayons made with paraffin wax. They spread, blend and layer with ease, bringing new meaning to 'coloring.'

\$5.49

### NATURAL paint

A set of six, luscious, creamy tempera paints sure to inspire any budding artist. Colored with mayan mineral earth pigments, our paints are free from chemical dyes and petrochemicals. Six, 2 oz paints are long-lasting, washable and completely natural (in the event that they inspire spontaneous finger painting).

\$13.49

### NATURAL markers

A set of six, vibrant, and quick drying markers colored with plant and mineral pigments.
