A delicious way to capture the *health benefits of 2 glasses of red wine* without the alcohol.

Enjoy Embodi every day to give your body powerful red wine antioxidants.

Only Embodi contains a pure red wine grape extract that contains the **full spectrum of polyphenols and antioxidants found in red wine**, including resveratrol. Embodi's all-natural extract is derived from the seeds, skins, and stems of red wine grapes...where many of the healthiest antioxidants reside.

Combining this extract with an **organic fruit juice blend** makes Embodi a delicious way to capture the health benefits of 2 glasses of red wine without the alcohol.

Citrus Resurgence Lemon, lime, and orange flavors will tingle your tongue and eliminate free radicals at the same time.

Tropical Revival Exotic flavors including goji berry, will take your taste buds and health woes to a far off locale.

Berry Renewal Blueberry and pomegranate flavors make for a refreshing twist on a healthy drink.

Ingredients: water, organic fruit juice blend (organic white grape, organic red grape, organic apple, organic pomegranate, and organic pear juices from concentrate), grape pomace extract, natural flavors.
